

Dyslexia Overview and Interventions

Learning Outcomes:

As a result of this seminar, participants will be able to:

1. Define dyslexia, along with its challenges and advantages
2. Identify early signs and symptoms of dyslexia
3. Demonstrate multi-sensory methods of dyslexia interventions
4. Describe methods of screening and assessment

Time Ordered Agenda:

30 minutes:

Overview/Definitions/Signs/Symptoms

30 minutes:

Challenges and advantages of dyslexia

30 minutes:

A multi-sensory model of intervention

30 Minutes:

Screening and assessment Methods

Course will be available February 18th, 2022 – February 28th, 2022.

Go to www.ssgpd.com to login and access this webinar.

This workshop will provide SLPs with an overview of dyslexia signs, symptoms, screening, and assessment methods. Since formal identification of students with dyslexia through the IEP process can have negative implications, classroom intervention methods will be explored and demonstrated.

Karen L. Bilbao M.A. CCC-SLP

Karen L. Bilbao, M.A., CCC-SLP has served in many aspects of special education service delivery during almost forty years in public education, including as a speech language pathologist, special education teacher, child study team member and director of special services. She moved on to building administration at both elementary and secondary levels and finally to the district level as assistant superintendent and superintendent of schools. She currently works for The Stepping Stones Group

Disclosure Statement:

Financial: Karen is an employee of The Stepping Stones Group and receives a salary for her position. She has no other relevant financial relationships to disclose.

Nonfinancial: No relevant non-financial relationship exists

ASHA CEUs:

This course is offered for 0.2 ASHA CEUs, Introductory Level

Cancellation Policy for Live Webinars:

In the event that SSG must cancel a live webinar, an alternate date for rescheduling of the event will be provided to all registered learners within 5 business days. All registered learners will be notified, via email, of the webinar cancellation as soon as possible.
